- Lumit, Kuopio Senior High School of Arts was founded in 2015 when Kuopio High School of Music and Minna Canth Senior High School were united.

- Lumit has four different programs

-music program

-dance program

-performing arts

-general studies

Lumit has a lot of different events for every program for example...

# Performing arts program

- *One of the programs Lumit has is the performing arts program*
- *In this program, students have courses related to acting, performing arts and different types of self expression along with regular studies*
- *Performing art students has many chances to perform and create drama.*
- *For example second year students get to create their own play or a musical and they can include dancers and musicians to their work*

# Music Program

- The music program is one of Lumit's art program's.
- All the musicians play a wide variety of instruments and genres.
- All the musicians usually play in a band or sing in a choir. Musicians can also play in an orchestra, but it's not mandatory.
- All musicians have music theory lessons, and theory in addition to classes musicians can choose voluntary courses for example "Light and sound technology course".
- The musicians have a good spirit together and there are the most musicians at Lumit compared to other art students.
- Musicians have many performances and events a year for example Lumit Rock, Latino night, Choir events.

# Dance program

- One of our school's programs is dance.
- Students have courses about contemporary dance and ballet in addition to normal courses.
- Sometimes different choreographers visit to give a short courses about different styles of dance.
- Dancers have many different performances, for example second year student's solos, Christmas performances and they have important roles in the annual musical.
